We are very grateful to our God for his abundant blessings upon us, as we all know that Christmas season has started and the people get busy in different charity activities.

The month has been blessing to us and poor Communities through *“Christmas Grocery hampers”* by Grace Family Church-South Africa.

Grocery hamper project (GHP) was started in 2006 among low income Communities living in extreme poverty. It was initiated by the local contribution, we appreciate *“Crossmoor Transport and Plant CTP and Container Ministry”* for their commitment and support to GHP.

We celebrated thanks giving day for the resource, which God has provided for the extension of his kingdom. We distributed almost 116 grocery hampers door to door in different poor communities.
