We were able to bless many homeless and destitute with a lot of new clothes, and gifts. God has been so good to us in every area of our Ministry, healing, saving souls and touching the lives of many destitute and teenager's street prostitutes.

It is such a great joy to see the restoration among drug addicted and homeless. Many stories have been heard this month. We are determined to organize a proper place for those homeless in the streets, by the grace of our Lord and your partnership it shall be accomplished. It's a great joy to work together with you to make a difference in many lives. Thank you for your partnership. God bless you all!!!
