We had unexpected a great breakthrough this month. After a long wait of 1 year and 5 months our Mission permits finally came through!!! We still trying to get to the learners of our communities to deliver our School stationary hamper packages.

We had a great celebration of father's and youth day with the poorest of the poor, low income Communities living in extreme poverty. Every single youth and fathers been blessed with gifts and meals.

We had more than enough provision to bless our people and also to other our sister organizations around in our

communities working among less fortunate families and individuals.

Our monthly food support program for single Moms and widows has been a great blessing to the lives of many destitute, Crossmoor Transport Company regularly gives us food support towards this program.

Thanks to all our sponsors, donors and volunteers. God Bless you all!
