AND

ACCOUNTABILITY,

It's winter and July is cold but Durban is not much as compare to other

states inland. God has been faithfully providing for us to reach our communities with warm clothing, Blankets, food and

particularly for Children and youth. The learners from different communities have been receiving Track suits jersey and Blazers. We owe very big thanks to all our partners those who generously contributed towards this outreach program.

We are taking care of single Moms and widows providing with groceries, clothing, some places assisting with electricity and water. We want to touch more lives as you join hands together in prayers and investing into the lives of less fortunate of our communities. Thank you for your support and prayers!
