August is the month of women and their contribution in our society.

Logan and Sandra Pillay senior Pastor of F.C.F.C with senior Citizens

We had many activities and programs with women

to encourage and build particularly the less fortunate

Our Mission base is opened to all groups for visits and opportunity to learn about the communities, cultures and volunteerism and most importantly sharing the Word of God through this. God has blessed us and we are being a blessing to others by sharing what He has given us. Our feedings and street evangelism has made great impact in many homeless lives

We starting to secure the provision of 10,000 learners toward our School stationery hampers project for 2015 new partners and contributors are warm welcomed to come forward and join. Thank you for the generosity Please

Continue to support and pray for us. God bless you all
