Discipleship is teaching! God gave his mandate of teaching our

people to live healthy life. We are sticking to our School stationery hampers Project, without any proper funding from any nominated agency. SGO is

independent and raising own sponsors for this Project, as an extension to SSHP we are giving out shampoos and soaps to the learners so that our students can live a hygienic life and grow healthy. God is making it possible for us to reach out and bless children with food, clothes and stationery! Our Christmas campaign for gift and groceries towards the unfortunate has begun. Please contribute generously. Thanks for supporting us faithfully.

God bless you all our contributors!!!
