It has been a great start to the new year. We have been packing and distributing stationary hampers to many students that cannot afford it. We

thank God for helping us to reach out many unfortunate learners with good news of Jesus Christ. These stationary hampers are a

great tool for sharing the Gospel with many lost souls. Our aim is to spread the word of God through these hampers by adding Bibles so that the lives of many youths and children can be saved. It is a great joy of seeing the smiles on their faces when they receive their stationary hampers.

Thanks to all our volunteers, contributors and sponsors. God bless you all.
