My people are destroyed from **lack of knowledge**. (Hosea 4:6)

Education is the greatest gift that we could ever offer anyone and everyone. Discipleship is the key and knowledge is the tool.

We are reaching out to learners in many new areas on a daily basis with our stationery hamper

the project. The past two months it's been a great blessing to hand out every day more than hundreds learner the gifts of Stationery hampers wrapped up with the Word of the Knowledge of Living God.

We are even more challenged by the needs and request from so many unfortunate learners. Beyond our expectations, requests are coming. Our God has supernaturally sent more for us to continue with this Project not to complete only our target.

We must continue until no more kids left without education. We still need more partners and contributors! Thanks to all our sponsors for being great investor in the lives of the future of South Africa. God bless you!
