Educating the nation campaign known as School Stationery Hampers Project

SSHP with Temple Valley Secondary School Verulam

has done incredible work in the lives of the youths and little kids.

Ongoing program of prevention for school dropouts and abused

learners to stay in

school has heart touching stories. God has supernaturally made it possible by sending new contributors. We have reached over 900 learners this month.

SSHP has taken a new shape and going to another level by taking care of those who cannot get a bursary or student loan.

We are accepting requests from unfortunate learners who want to study despite of their financial situations. SSHP has an opportunity for every learner.

Our focus is to educate and make disciples and we are looking for more

contributors and donors. Special thanks to pick n Pay and Bidvest South Africa for their generous contribution. God bless you all!
