Our Warm Winter Campaign has been a great blessing to our communities and learners. We are sharing what God has blessed us with. We have been handing

out bedding, blankets and many other things to help the less fortunate to keep them warm in this cold winter. God has been so gracious by providing more and more so that we can reach out

to more souls by feeding, clothing and most importantly sharing the Gospel. It's so amazing to see, this effort of SGO is making a huge impact on many unreached and under privileged souls in the remotest areas.

God is making this possible through the generosity and commitment of our faithful partners like you. Thank you for all your gifts and generous support.

God Bless you all!
